## Unique networking event

**October 13 - 15, 2022**

Marbella Business Weekend (MBW) offers a unique experience for selected companies.

During three days you will have the opportunity to network and meet potential partners and customers in an inspiring environment. In addition to nice social events, MBW offers activities such as golf and padel. We guarantee an event that is well balanced between business and pleasure.

MBW is primarily made for Scandinavian and Spanish entrepreneurs.

## Charity

Marbella Business Weekend has several collaborations with charities. Part of the proceeds from the event will be donated to charity.

Among others, we collaborate with Operakällaren Foundation for the benefit of WaterAid. The organization is one of the world's leading water organizations. The collected proceeds are converted into clean water by drilling wells in East Africa. The project changes and saves thousands of lives.

Marbella Business Weekend also collaborates with The Victoria Golf, which is a part of the Victoria Days on Öland, arranged in connection with the Crown Princess Victoria's birthday. The purpose is to inspire physical activity, a healthy lifestyle and to raise funds for the benefit of the Crown Princess Victoria's Fund.
