Unique networking event

October 24 - 26, 2024

Marbella Business Weekend (MBW) offers a unique experience for selected entrepreneurs.

During these three days, you will have the opportunity to network and meet potential partners and customers in an inspiring environment. In addition to enjoyable social events, MBW offers activities such as golf and padel. We guarantee an event that is well-balanced between business and pleasure.

MBW is primarily made for Scandinavian and Spanish entrepreneurs.

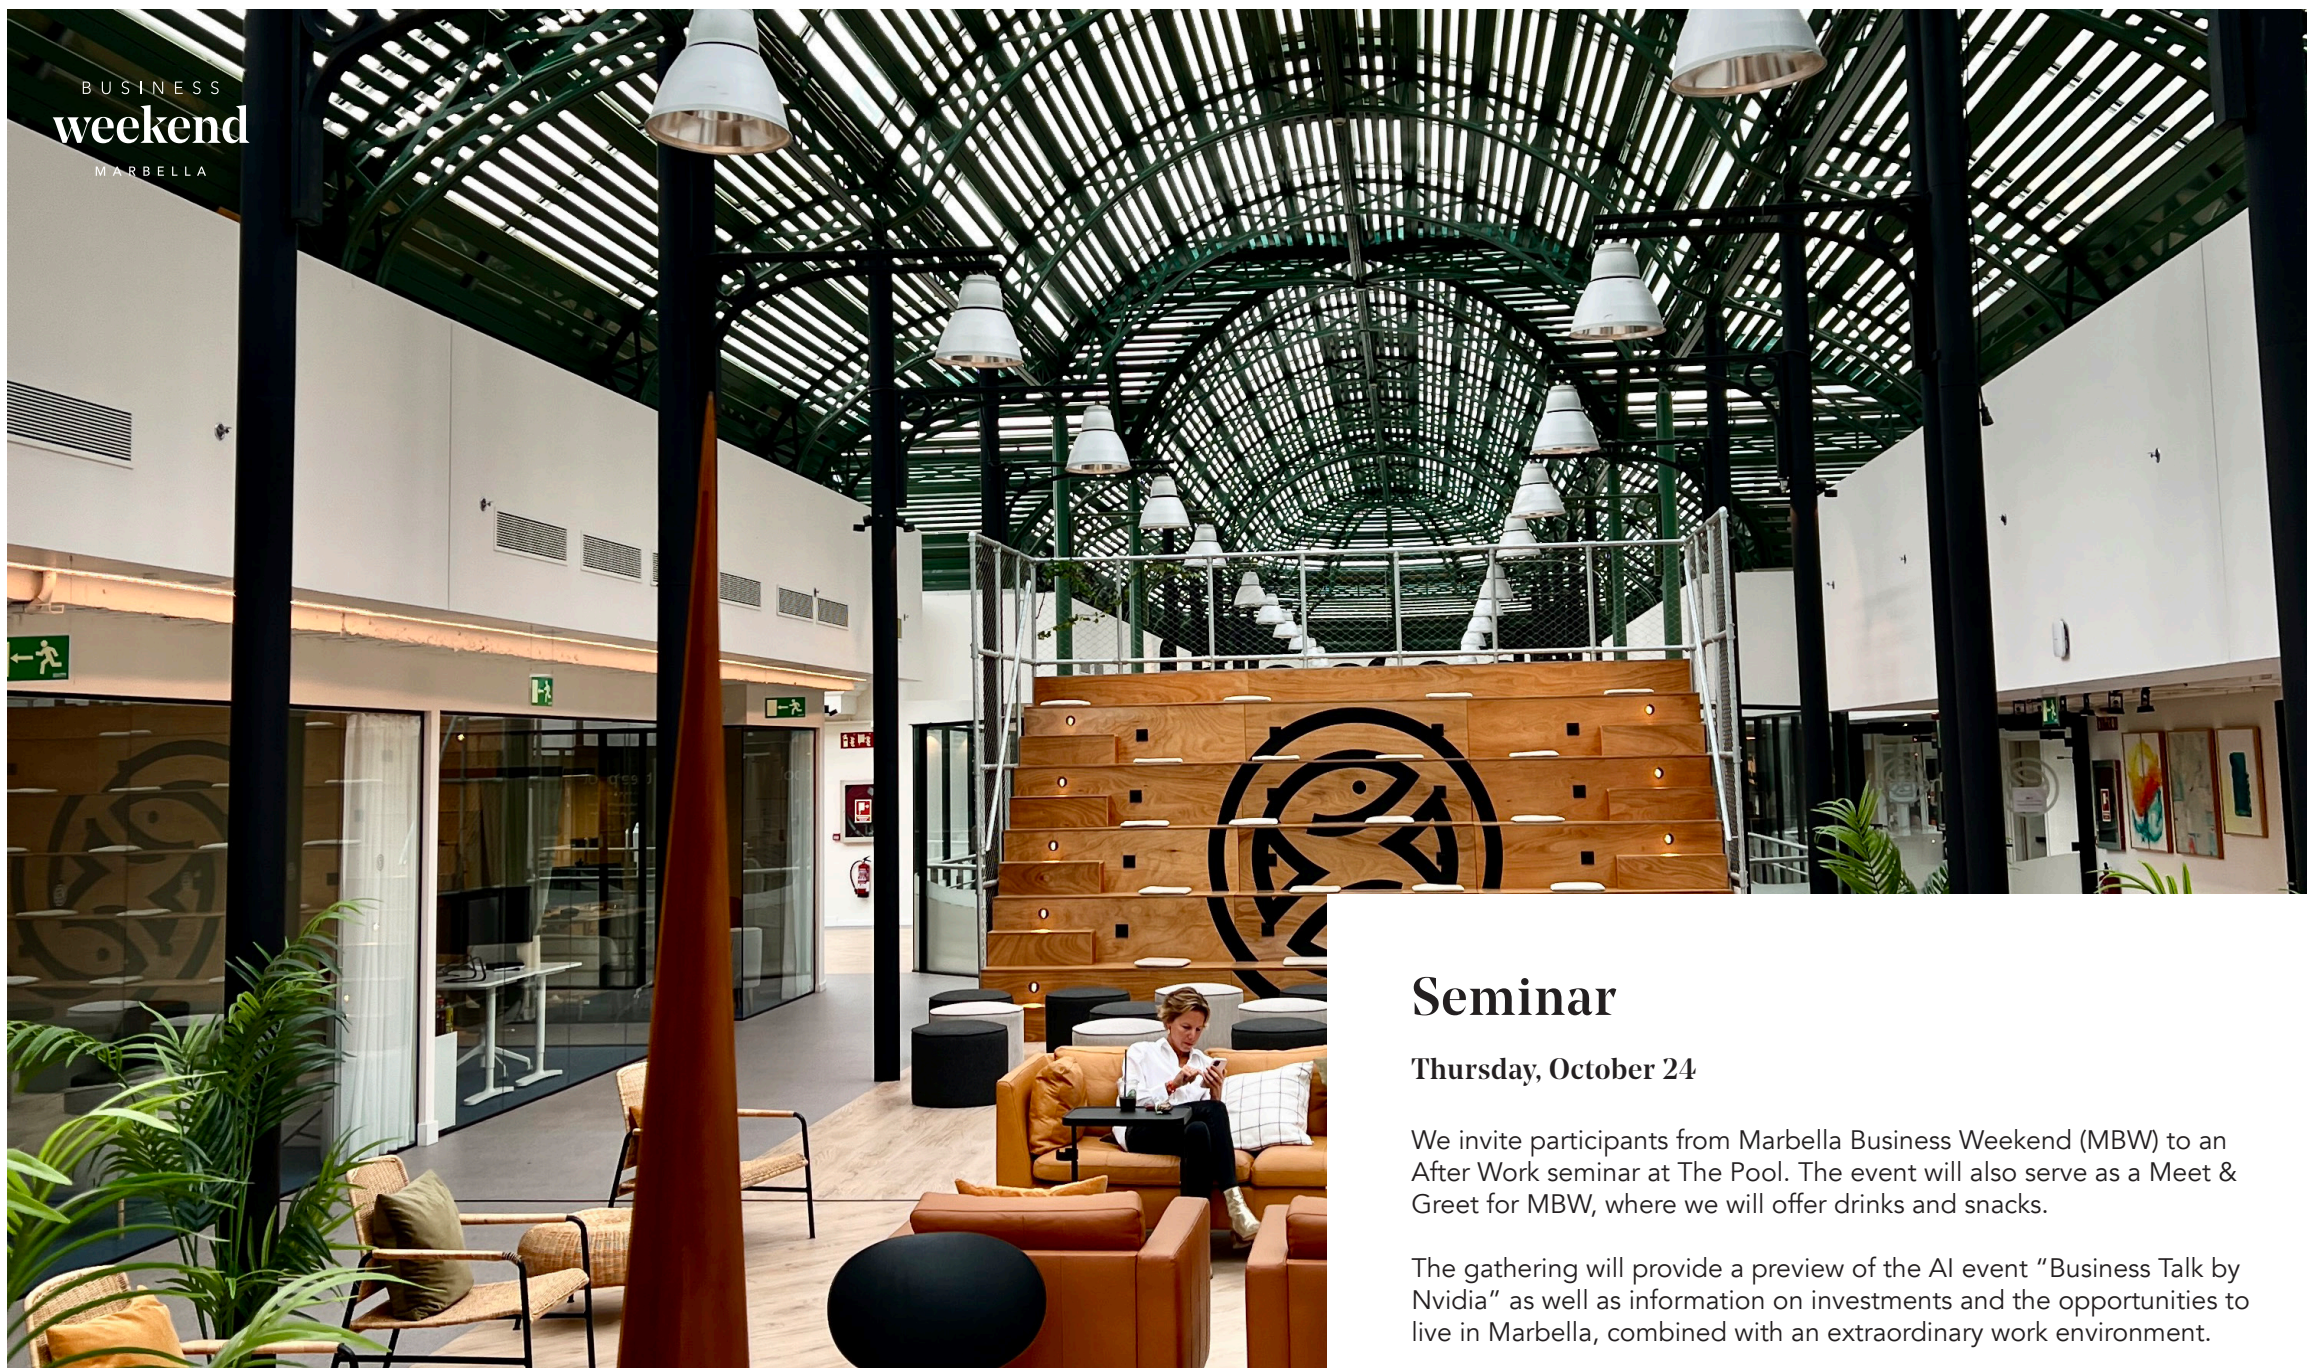

Charity

Marbella Business Weekend has several collaborations with charitable organizations. Part of the proceeds from the event will be donated to charity.

Among others, we collaborate with the Operakällaren Foundation for the benefit of WaterAid. This organization is one of the world's leading water charities. The collected proceeds are converted into clean water by drilling wells in East Africa. This project changes and saves thousands of lives.

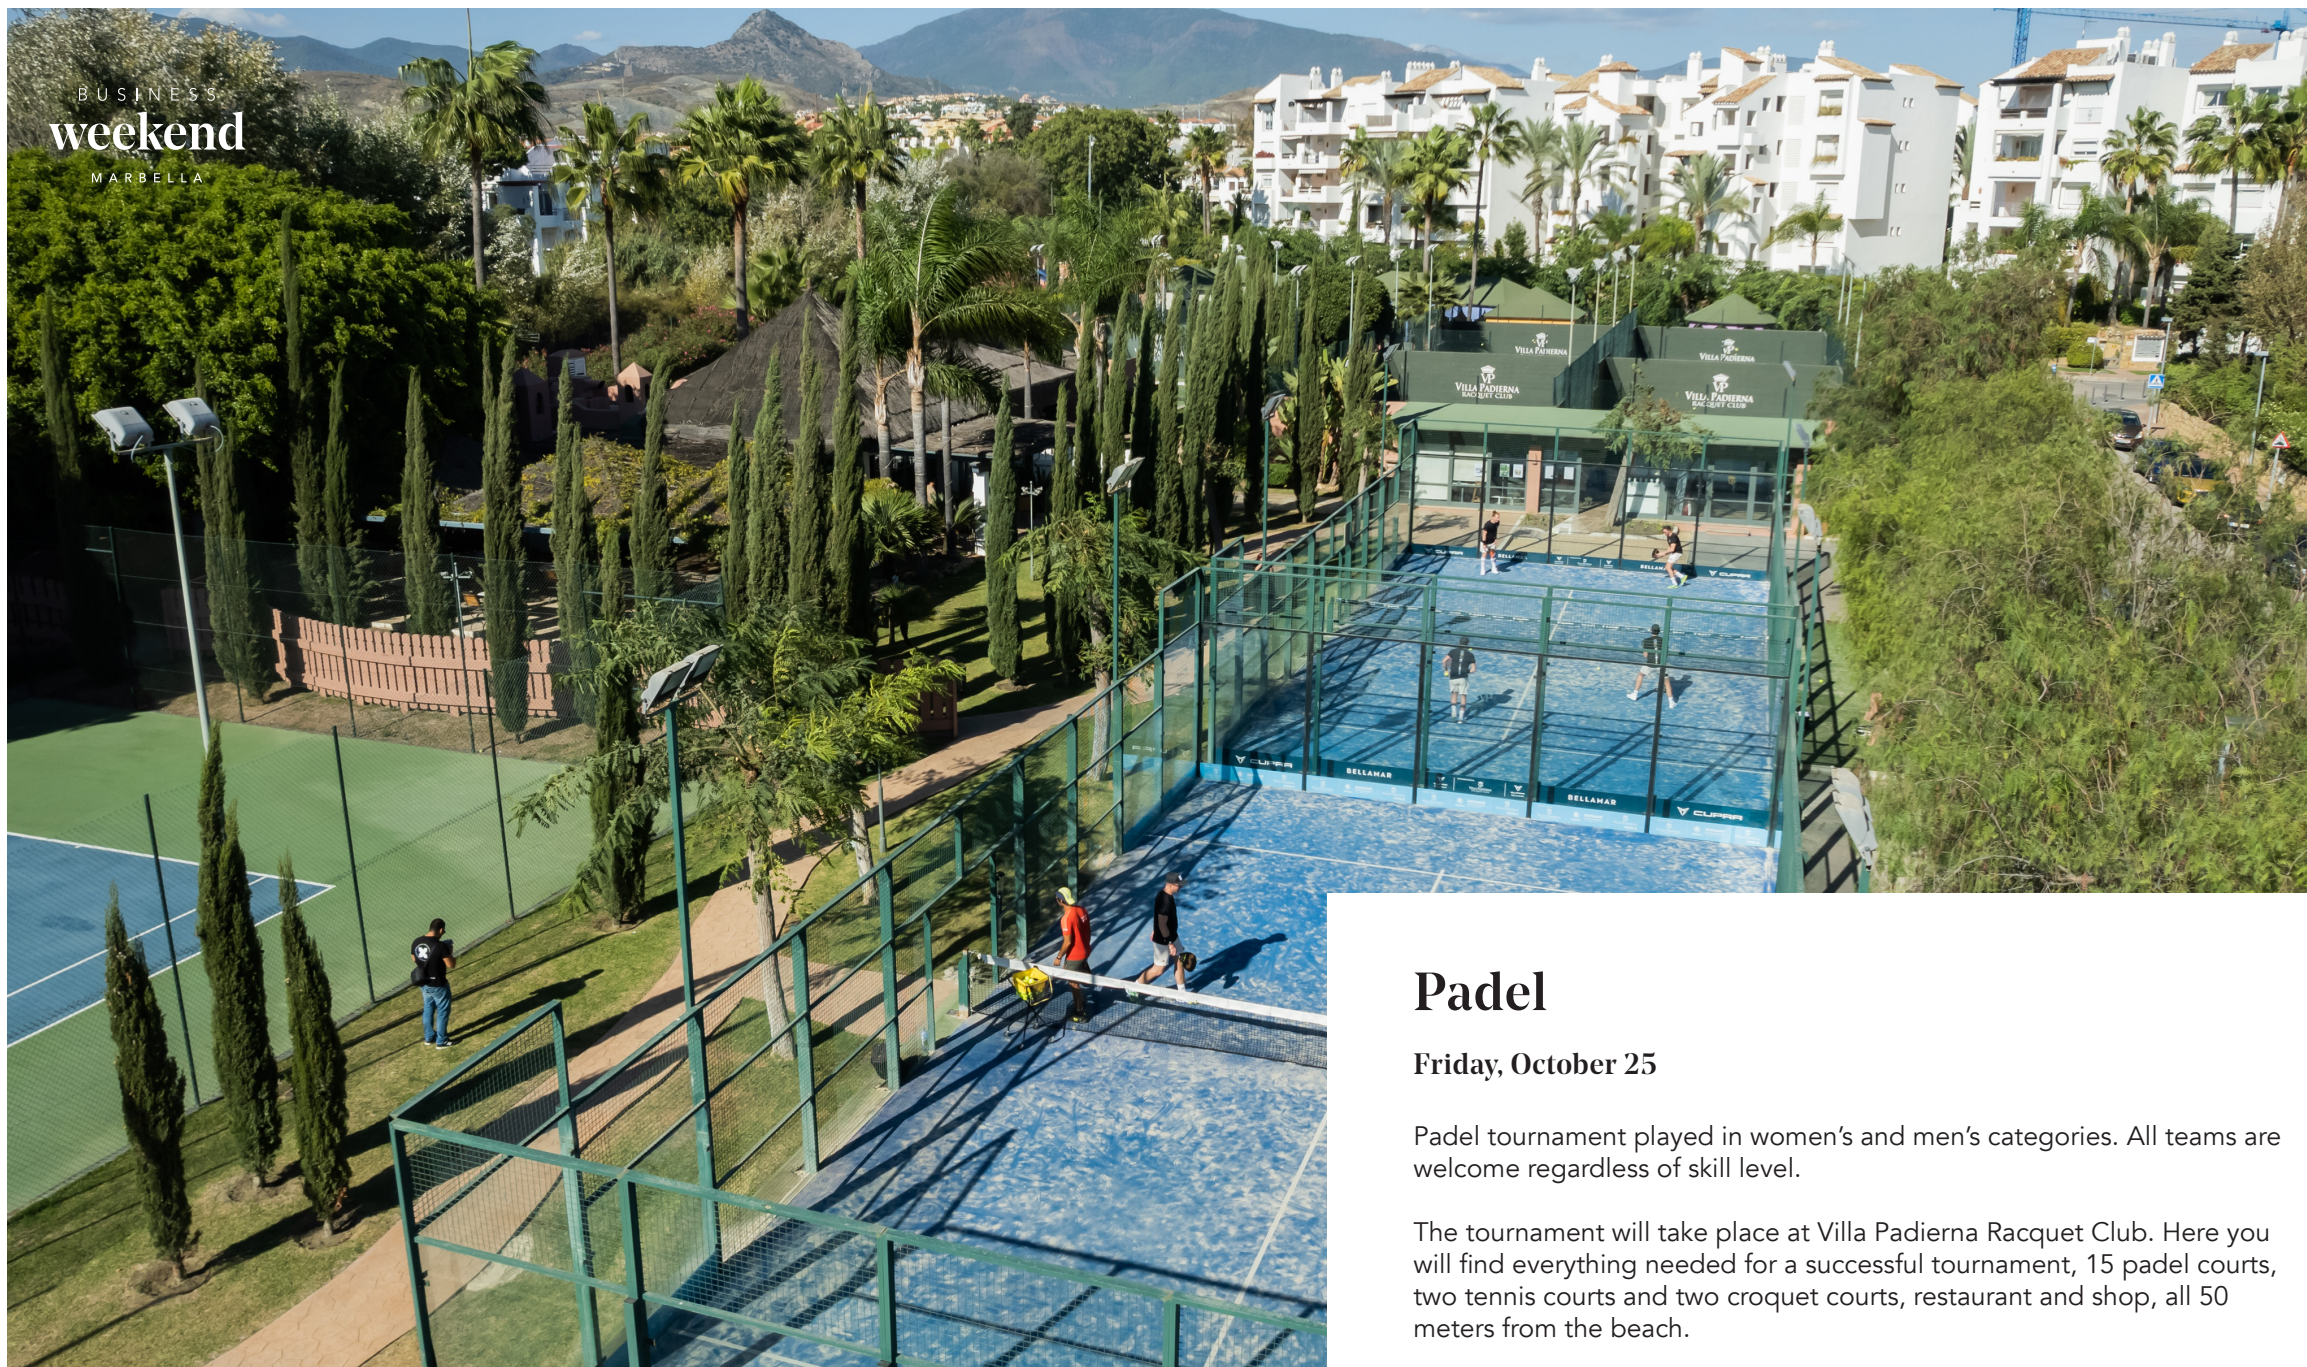

Seminar

Thursday, October 24

We invite participants from Marbella Business Weekend (MBW) to an After Work seminar at The Pool. The event will also serve as a Meet & Greet for MBW, where we will offer drinks and snacks.

The gathering will provide a preview of the AI event "Business Talk by Nvidia" as well as information on investments and the opportunities to live in Marbella, combined with an extraordinary work environment.

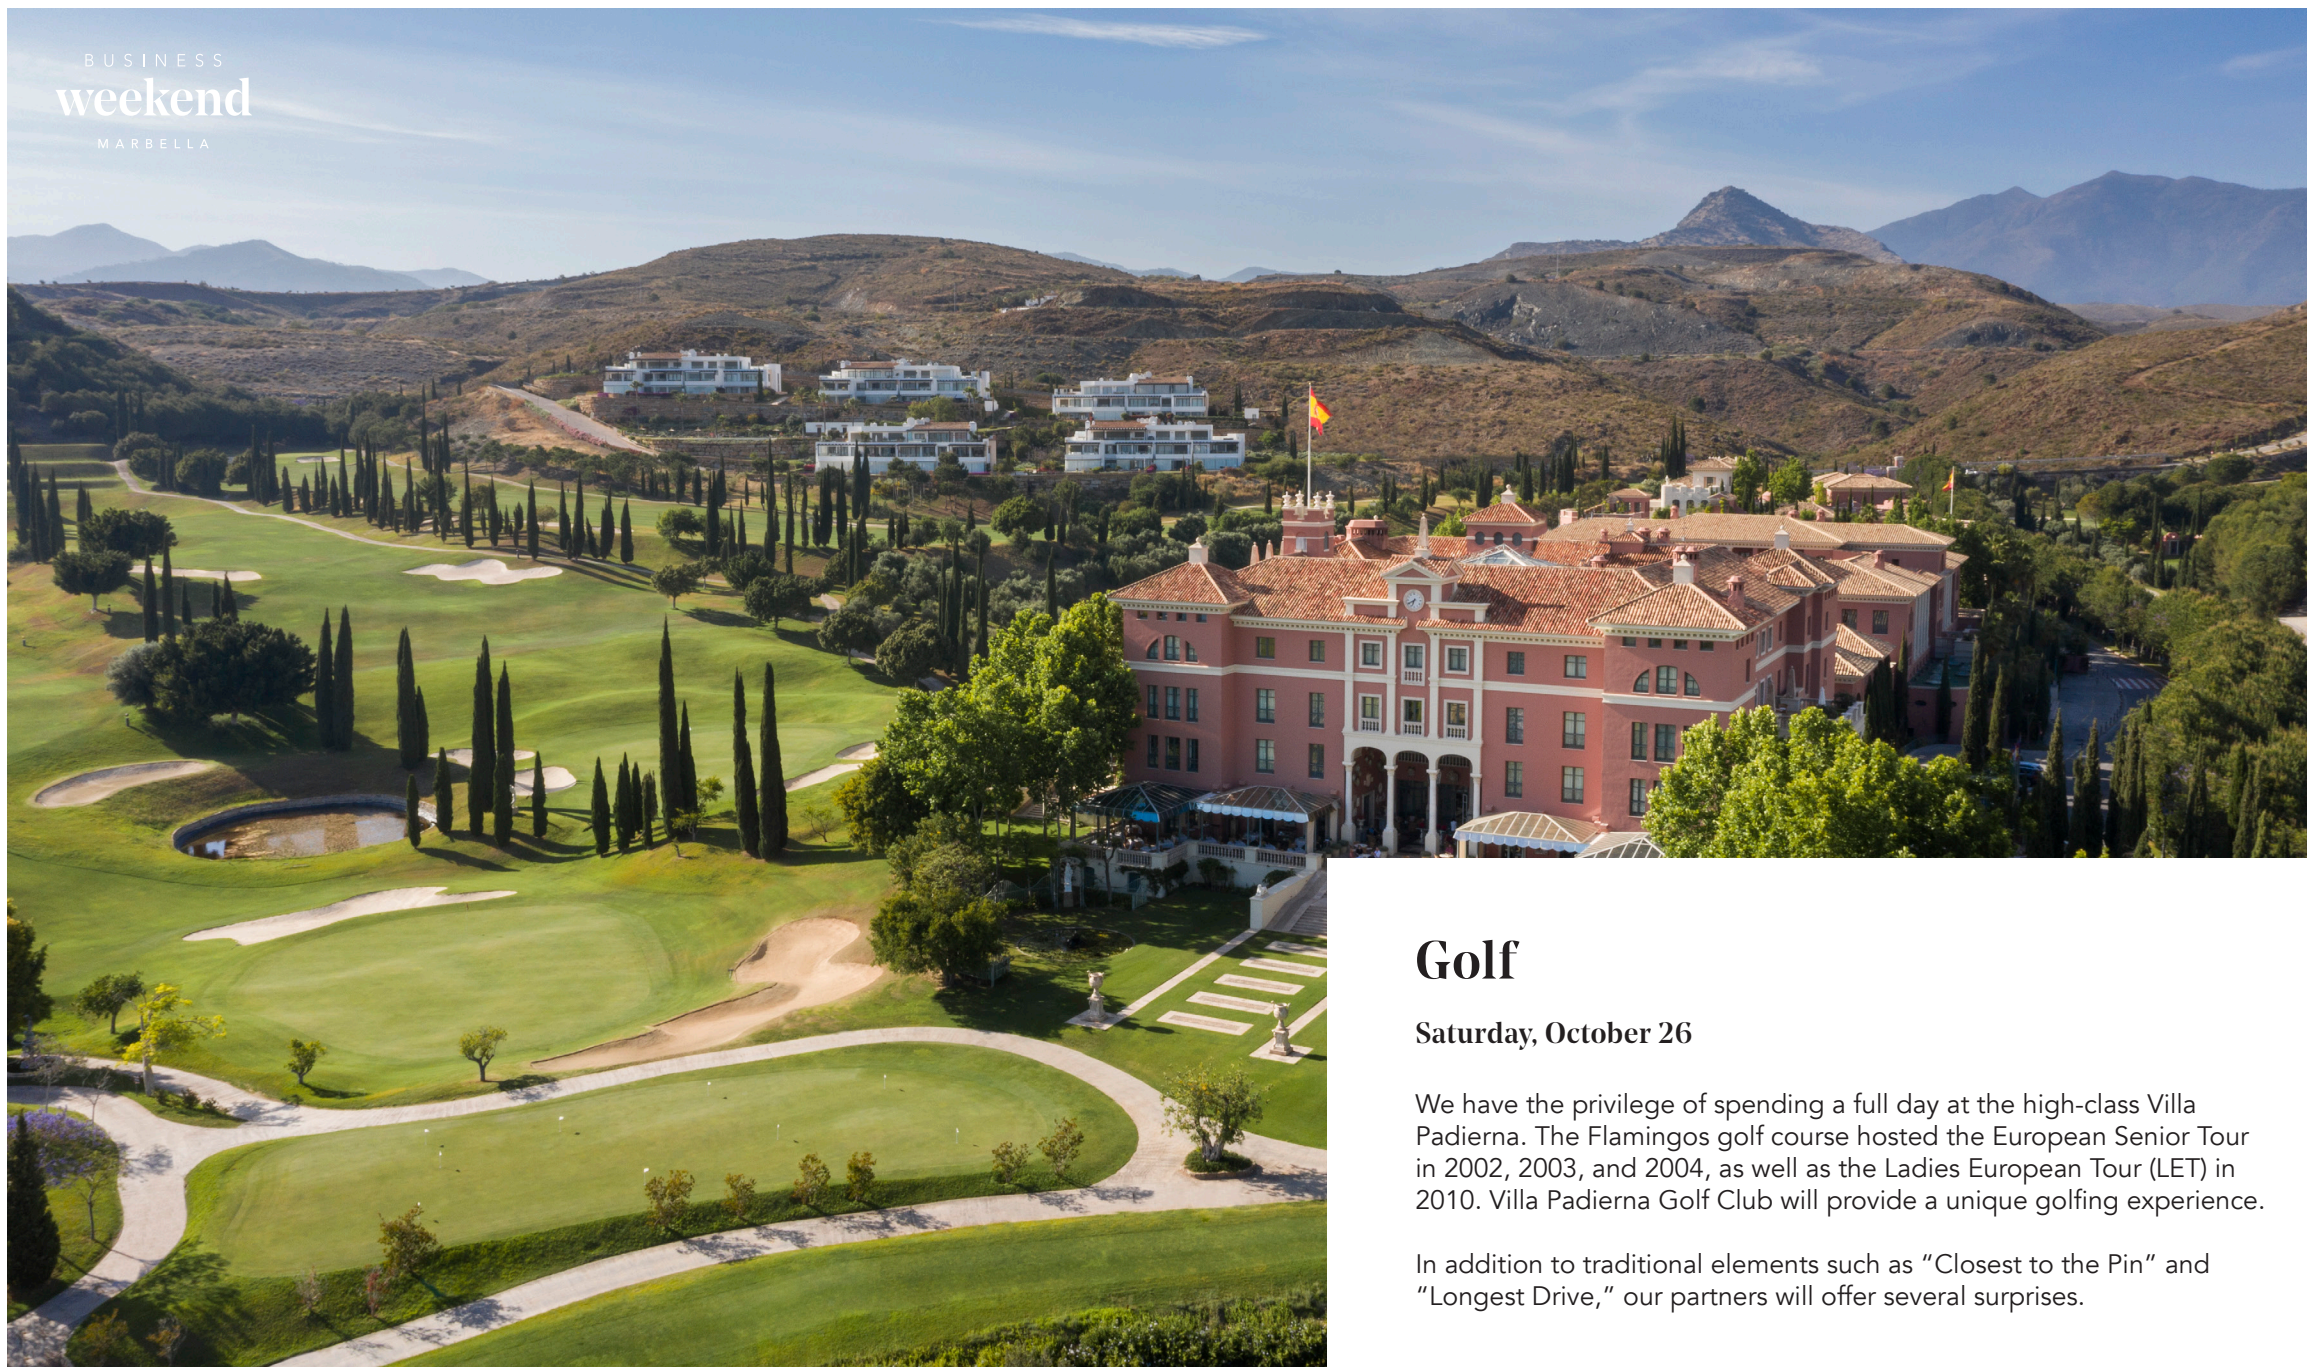

Padel

Friday, October 25

Padel tournament played in women's and men's categories. All teams are welcome regardless of skill level.

The tournament will take place at Villa Padierna Racquet Club. Here you will find everything needed for a successful tournament, 15 padel courts, two tennis courts and two croquet courts, restaurant and shop, all 50 meters from the beach.

In addition to traditional elements such as “Closest to the Pin” and “Longest Drive,” our partners will offer several surprises.

Dinner Club
