A Unique Networking Experience

October 1–3, 2026

Marbella Business Weekend is an exclusive meeting place for selected business owners and entrepreneurs.

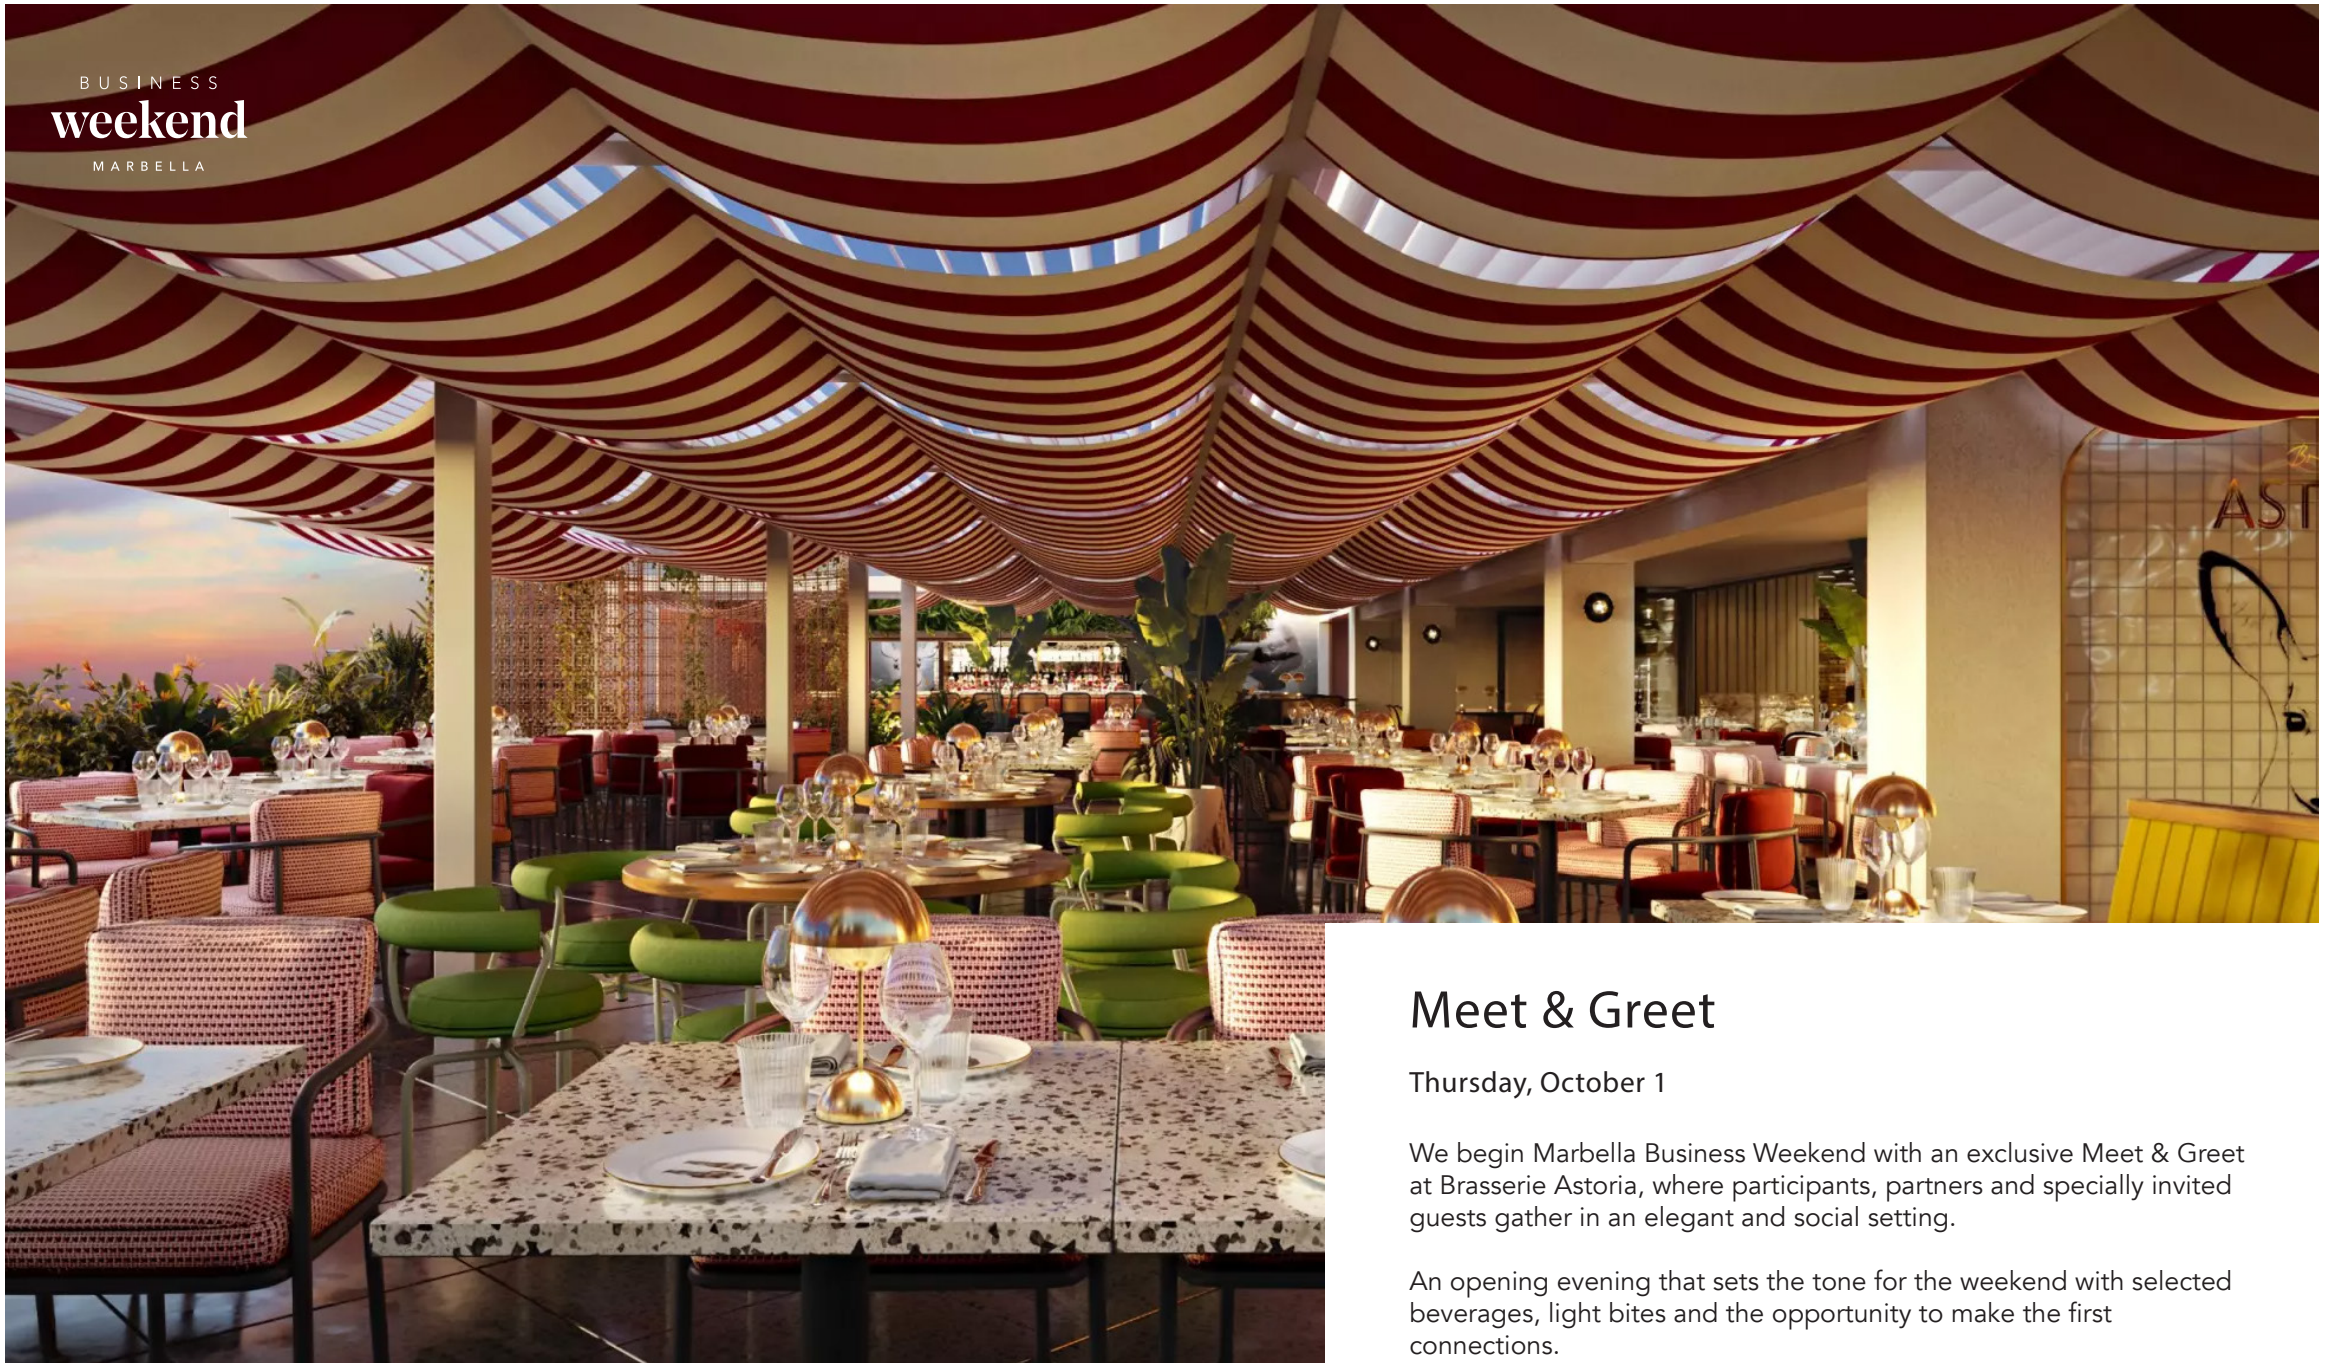

Over three days in Marbella, a carefully selected group comes together to build relationships, develop business opportunities and connect with new partners in an environment where quality comes before quantity.

The program combines business networking with activities such as padel, golf and shared dinners — creating a well-balanced mix of business and experiences.

Participants mainly consist of Scandinavian business owners, complemented by a carefully selected international network.
