

An Experience and a Meeting Place

MARBELLA BUSINESS WEEKEND (MBW) BRINGS TOGETHER SELECTED BUSINESS OWNERS, CLIENTS AND PARTNERS FOR AN INSPIRING WEEKEND OF GOLF, PADEL, DINNERS AND NETWORKING IN MARBELLA.

PADEL

The tournament is played at Nueva Alcántara Club, voted the World's Best Padel Club for two consecutive years and internationally recognised as one of the world's premier padel destinations.

Two divisions, Elite and Mixed, allow both competitive and recreational players to participate at a level that suits their experience.

MARBELLA BUSINESS WEEKEND

Over three days, selected business owners and partners come together to build relationships, develop business opportunities and connect with new contacts in an environment where quality comes before quantity.

The program combines business networking with padel, golf and shared dinners, creating a balance between business, experiences and strong relationships.

MEET & GREET

We begin MBW with a Meet & Greet at Brasserie Astoria, where participants, partners and specially invited guests gather in a social setting with selected beverages, light bites and networking.

DINNER CLUB

The weekend concludes at Nomad, where participants, partners and specially invited guests gather for a Dinner Club in a social and modern setting.

The evening combines a sharing food dinner experience with music, entertainment and networking.
